

What you will pay for our Services

- We receive a commission from the insurer which is a percentage of the annual premium you pay.
- In addition, we will charge you an administration fee for each policy you take out with us including when you make a mid-term adjustment and when you cancel a policy. Our fees are detailed below.
- We may also charge you other fees in place of, or in addition to, the commission we earn from insurers. We will advise you of any such fees before you take the policy out or before any mid-term adjustments (please see below for an explanation of these fees)
- If we introduce you to a third-party premium finance provider to fund your insurance premiums, we will also receive a commission from the provider expressed as a percentage of the loan made to you in respect of the introduction.
